

TOWNSVILLE TAXI ENJOYS THE FEELIN'

We are in the process of delivering the fourth Toyota Prius to Mr. Les Gist of Townsville Taxi. When we spoke to Les on his feelings about this amazing motoring concept he

was literally over the moon about how great it has been. "This twenty first century Hybrid techno stuff," says Les, "is a little too much for me. All I know is that it's bloody great and I'm saving around \$300 per month per taxi, and that really does give me a good feeling".

So if you ever hail a Toyota Prius taxi you'll know that you are helping the environment with its virtually zero pollution and you're saving the owner money which represents some really good news.

OUR RESIDENT GREEN THUMB SCOOPS THE AWARD

Remember back in August we spoke about the Toyota National Tree Day, a Toyota sponsored initiative which our Marketing Manager, Shaun McLaren, ran with on a local level on behalf of the dealership. With the help of some key players from the North Queensland Cowboys and some of the local schools he was able to plant about 1000 trees. "The Toyota National Tree Day Champions Award" says Shaun "recognises one person from each Australian state who has demonstrated an outstanding commitment, helping to make the National Tree Day a successful and rewarding event for the local community and the dealership"Great effort, Shaun.

A new direction for Aussie 6s

The most powerful naturally aspirated big Aussie 6 - at 200kw -with fuel economy of 9.9L/100km

A new direction in Aussie 6s **AURION 6s**

BRENDEN'S BEST BUYS AND MORE

The newly released NG Camry has certainly raised the bench mark when it comes to high quality fleet or family motoring. Now we can offer some amazing prices on our selection of demonstrators in a variety of colours and models. Give Ace a call now.

The SUV revolution continues with Toyota's sensational Kluger. This fantastic 4x4 is powered by Toyota's economical 3.3 litre engine with the smooth 4 speed auto. It is literally full of standard features others call options and now features 7 seats for the large family. Scotty's offering this demo, available at only \$39990 drive away and he's keen to do a great deal.

Why not call in and enjoy the feelin' in a Toyota Kluger

THE MIKE CARNEY TOYOTA SALES PROFESSIONAL AWARD

This month Brenden and I got together to examine which one of our sales professionals displayed the highest level of customer service, product knowledge and exceptional salesmanship. We present the "Award" to Thai Tran. Thai has been with the dealership only 9 months but has been a professional sales person for all his Australian life. He's charming, knows the products and gets the runs on the board. He is, therefore, deserving of this recognition from all of us.

ALL OF CRAIG'S USED CAR STOCKS ARE THE BEST IN TOWN

Don't forget to check out Craig's fantastic selection of hand picked, quality used cars, commercials and 4x4's. Each used vehicle undergoes a multi point inspection to ensure that it represents real value for money. Craig has instructed all his team to offer the highest trade-in values and the leanest prices, so now's the time to grab that second or third car for your family from the extensive range at Mike Carney Used Cars.
